

# BUILD YOUR OWN ROBOT

Use the template below to draw your dream robot. What can it do?

What special parts will your robot have? Here are some spare parts from Zoe's workshop to give you some ideas!

## HEAD

X-ray eyes

Superpower brain

Ears that can understand animals

Periscope eyes

## ARMS

Extendable arms

Gunge soaker

Super sticky arms

Healing rays

## MIDDLE

Wings

Indestructible armour

Secret safe

Favourite food dispenser

## BOTTOM

Jet pack legs

Extendable legs

Wheels

Giant springs

This activity is from *Museum Mystery Squad and the Case of the Curious Coins* by Mike Nicholson.
