

MAP MY MONSTER

PUT YOUR LOCAL MAGICAL MONSTER ON THE MAP!

From kelpies and selkies to wulvers and Nessie herself, the world is full of magical monsters and creatures just waiting to be discovered. The question is – where are they all hiding?

The bookworms and explorers at DiscoverKelpies need your help to draw up a map of all the magical monsters that you've heard about in stories. Or, maybe you've spotted them in real life!

Is there a story or legend of a magical monster swimming in a loch or stomping in a wood near you?

About the Book

The Treasure of the Loch Ness Monster is a new picture book from renowned Scottish children's author and storyteller Lari Don. Inspired by authentic folklore and local legends, this new picture book by Lari Don sidesteps the established image of Nessie to create a new Loch Ness Monster myth. Atmospherically brought to life by Nataša Ilinčić's stunning illustrations, it's destined to become the classic Loch Ness Monster story.

The Treasure of the Loch Ness Monster (RRP £6.99) will be published in paperback 22nd March 2018.
